V RUNNING OF THE EVENT

5.1 Free practice

Free practice will be one session, 3 laps

5.2 Qualifying Heats

First qualifying Heat will be according to the draw at drivers briefing. Divisions not divided.

The next heats will be according to the result of the previous heat. There will be 4 laps in the qualifying Heats.

5.4. Semi Finals and Finals

The semi finals and finals is divided in each division. Each driver must have completed at least one Heat to be qualified for the finals. If there are 8 drivers or more in the division there will be Semi finals, maximum 6 drivers in each semi final. The three best drivers in each semi final are qualified for the final.

There will be 6 laps in the Finals.

5.5 Jump start

Electronically jump start system.

At false start the heat/final will be restarted. In a heat the driver(s) concerned will be warned with a warning flag and a 3-second penalty will be added to the time set in the Heat. During the same Heat, if the same driver makes a second false start he will not be allowed to start. When a false start occurs in a Final the driver will not be allowed to start in that Final, and will be classified before non-starters.

VI. SIGNALLING

6.1. Red and Yellow flag

Red and Yellow flags: Light signals will be used according to ISR Appendix H, Art. 2.4.3

There will be given information regarding this at the drivers meeting.

6.2 Other flags
